**Remarks:**

No expense was spared on this beautiful custom-built modern home, designed by famed architect Jorge Hernandez for a prime location with 100 feet of frontage directly on Biscayne Bay. With stunning views of downtown Miami and Key Biscayne, the wonderful open design concept allows for both ease of living and great spaces for entertaining, taking full advantage of the magnificent location. The home also comes with a theatre, summer kitchen, saltwater pool, and private dock and boatlift.
