Remarks:

Located on the best tree lined street in Silver Bluff, this late 30's charmer is complete with many desirable deco touches. From the sloping roof line and the inlaid tile across the front of the house, you immediately know this home was custom built. Upon entering the home, you will notice the long view to the pool patio. Original clay tile floors and a WBFP add to the ambiance. On the east side are 2 bedrooms and 1 very deco bathroom. The west side contains an enormous eat in kitchen and an en suite bedroom and bath. A light filled family room embraces views of the private pool patio with a backdrop of tall hedging.
